To: All Pensioners of Mercy Hospital, Iowa City, Iowa, *et al.*
Bankruptcy Case No. 23-00623 (TJC)

Re: Recommendation to Accept Debtors' First Amended Combined Disclosure Statement and Joint Chapter 11 Plan of Liquidation

Dear Member of Mercy Hospital's Pension Plan:

The official committee of pensioners (the "Pension Committee") appointed in the chapter 11 cases of Mercy Hospital, Iowa City, Iowa, *et al.* (the "Debtors") urges you to vote to accept the enclosed *Debtors' First Amended Combined Disclosure Statement and Joint Chapter 11 Plan of Liquidation* (the "Plan").

As required by the Bankruptcy Code, the Plan classifies claims in various classes according to their respective rights of priority. Holders of claims against the Debtors related to the defined benefit pension plan qualified under section 401(a) of the Internal Revenue Code titled "Mercy Hospital, Iowa City, Iowa Employees' Pension Plan" (the "Pension Plan") are included in Class 5 of the Plan, which is an impaired class that is entitled to vote to accept or reject the Plan.

Under the Plan, a trust will be established and all current assets of the Pension Plan (which are currently in possession of Debtors) will be transferred to that trust (the "Pension Trust"). The plan provides for an additional \$250,000.00 in funding to be transferred to the Pension Trust, as well as additional funds from the Unsecured Creditors Committee's settlement. The Pension Committee will assist in identifying a new administrator for the Pension Trust. If, prior to confirmation of the Plan, a suitable administrator is identified, the new administrator of the Pension Trust will continue making ordinary payments under the Pension Plan. If, prior to confirmation of the Plan, a suitable administrator is not identified, the Debtors and Pension Committee will work to terminate the Pension Plan and provide pro rata recoveries to pensioners.

Additionally, holders of Class 5 Pension Plan claims will receive recoveries on account of an unsecured claim in a to-be-determined amount based on underfunding of the Pension Plan. The Debtors currently estimate and project that those unsecured claims will receive a recovery of approximately 8% to 10% (although there is no guarantee that recoveries will ultimately be in that range).

The Plan is the product of months-long arm's-length and hard fought negotiations between the Committee on behalf of the Debtors' unsecured creditors and the Debtors, the Bondholder Representatives and the Pension Committee. It is the opinion of the Pension Committee that the Plan's treatment of Mercy Hospital's pensioners is fair, reasonable, and in the best interest of those pensioners. **Accordingly, the Pension Committee recommends that all pensioners vote to accept the Plan by completing the enclosed ballot and timely returning it to the voting agent in accordance with the instructions provided on the ballot so that it is actually received no later than 4:00 p.m. (prevailing Central Time) on May 6, 2024.**

Before you cast your ballot, you should carefully review the Plan and the risk factors described therein. When voting, please pay particular attention to the section of the ballot that permits creditors to opt out of granting the Third-Party Release provided for in Article XIV.D.2 of the Plan. We suggest you consult with a legal advisor if you have any concerns about the Third-Party Release and your decision whether to opt out of granting it. If you have any questions with respect to the Plan or the treatment of your claim(s), please do not hesitate to contact the undersigned counsel to the Committee.

Very truly yours,

/s/ Paula L. Roby
